NOTES

2 people from each team are required for the BBQ cooking/serving (including cutting sausages, bacon & bread rolls) or for Canteen serving.

Please organise parents so that this number is continuously available during the allocated 'shift' noting that you must be 16 or over to work in the canteen or bbq area.

U6 & U7 teams are only required to supply **one person** at a time for their shifts.

Shift change overs: we have allowed a 15 minute window for shift changes to help with queues as this is our biggest bbq day of the season. The Canteen Manager will manage change overs and let your team leave when replacements arrive.
