Registration Instructions

1. To get an FFA number register online at www.myfootballclub.com.au
2. Then register as a player, coach, referee or volunteer with www.myfootballclub.com.au , ensuring you select "Baulkham Hills St Michael's" Club in the drop down menu to ensure you are with the right club. (There are many "St Michael's" across Australia. Please get the right one!)
3. Upload a Head-Only photo in to your FFA account (unless you are in Special Needs or U5 to U8). Special Needs, and U5 to U8 athletes do not require a photo as they are playing in an internal competition and no ID card is issued. If the photo **uploaded** is not Head-Only it may be rejected and you may miss matches until you supply a correct one.
4. If you wear sports-glasses (and have a letter of approval from an optometrist) they need to be worn in the photo. If you play without glasses the photo needs to be without glasses.
5. Pay via EFT to the Clubs bank account - details below. The correct fee will be shown on the MyFootballClub invoice at the end of the process. Delay in doing this may also cause you to miss matches as both the photo (unless Special Needs, U5-U8) and payment need to be received by Tuesday for the club to have time to get a card from our Association for the following weekend. **NB** Include your FFA number in the narrative so we can allocate the deposit to your registration.
